Hello Abe,

I sent you and Jeff Zak an Microsoft Teams invite. If there is anyone else you would like to attend the meeting, please provide me with their email address and I will send them an invite.

This conference will give you an opportunity to present information on the specific findings of violation, any efforts you have taken to comply, and the steps you will take to prevent future violations. In addition, in order to make the conference more productive, you are encouraged to submit information responsive to the FOV prior to the conference date. You may have an attorney represent you at this conference.

Thank you,

Like to set up a meeting with you about the information you requested. Anytime in November would be good. Any Tuesday or Wednesday would be good.
